MEETING MINUTES

South Carolina Law Enforcement IT Community of Interest Council

3. Meeting Notes, Decisions, Issues

Sharon Poulalion opened the meeting and reminded the committee if there were changes in staff or if there were other staff who would like to attend to please let us know. Darrell Black introduced the presenters.

- Darrell Black explained the purpose of the meeting and the common thread of Prevention, Protection and Response to Citizens of South Carolina and the use of Technology.
- Jim Scurry gave an overview to the Committee on the Coordination Council, purpose of Geographic Information System (GIS), and the responsibilities of the Council and GIS Coordinator. Also discussed was the Coordination Memorandum of Agreement (MOA) signed by eight Agencies: Budget and Control Board, Commerce, Department of Health and Environmental Control, Forestry Commission, Department of Natural Resources, Department of Probation, Parole and Pardon Services, Department of Revenue, and Department of Transportation.
- Dr. Tim DeTroye, Ph.D., GIS Coordinator, made a presentation to the Committee about how GIS can be used by agencies and how data can be shared, data requirements and maps. He also discussed his experience, education, and background.
- Tony Dukes made a presentation to the Committee about how GIS can help State Agencies, Law Enforcement, Fire Departments, and other entities, how to analysis data and maps, and who can benefit from GIS maps.
